

## PUBLIC HEARING INFORMATION

Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or recommend approval or denial of the application. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

A board or commission's decision may be appealed by a person with standing to appeal, or an interested party that is identified as a person who can appeal the decision. The body holding a public hearing on an appeal will determine whether a person has standing to appeal the decision.

An interested party is defined as a person who is the applicant or record owner of the subject property, or who communicates an interest to a board or commission by:

- delivering a written statement to the board or commission before or during the public hearing that generally identifies the issues of concern (*it may be delivered to the contact person listed on a notice*); or
- appearing and speaking for the record at the public hearing; and:
- occupies a primary residence that is within 500 feet of the subject property or proposed development;
- is the record owner of property within 500 feet of the subject property or proposed development; or
- is an officer of an environmental or neighborhood organization that has an interest in or whose declared boundaries are within 500 feet of the subject property or proposed development.

A notice of appeal must be filed with the director of the responsible department no later than 14 days after the decision. An appeal form may be available from the responsible department.

For additional information on the City of Austin's land development process, visit our web site: [www.austintexas.gov/development](http://www.austintexas.gov/development).

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Carol Hougaard  
PO Box 5423  
Austin, TX 78763

February 16, 2015

Dear Mr. Sadowsky,

I have lived at 1801 Vista Lane since 1980 and strongly object to the demolition of the property located at 1708 Vista Lane.

It deeply saddens me, and many of my neighbors, to have yet another beautiful home that we consider to be an integral part of the historic fabric of our lovely neighborhood destroyed. The destruction of this home will further aid the ongoing erasure of the charm that once characterized the Tarrytown area of Austin.

In addition, I object to the disruption of peace that yet another major building project will bring to our quiet street. This is the 5<sup>th</sup> such project in our immediate area. Often, the demolition and construction of a new house can take up to a year or more to fully complete. During that time, the surrounding residents are subjected to excessive noise, pollution, dirt and mud, along with increased vehicle traffic and parking problems. Meanwhile the owners of the project avoid any discomfort to themselves by living elsewhere while we are left to suffer.

I realize that my humble opinion will not stop these over ambitious wealthy trophy house seekers who continue to destroy the integrity of our neighborhood. However, I do thank you for giving me an opportunity to express my heartfelt concerns.

Sincerely,  
Carol Hougaard

PS The owners of 1708 Vista Lane should consider leaving the façade and original house as it is and rebuild the awkward back addition.
